

Partnership Application Undertaking Form

The Veolia Environmental Trust is a charity and an Environmental Body enrolled in the Landfill Communities Fund (LCF). We award grants to help improve community spaces and the environment.

We need both the organisation applying for a grant, and the local authority who owns the project site, to complete this form.

If you need help with this call us on 0203-567-6820.

Part 1
To be completed by the organisation applying for a grant
Name of organisation:
Organisation address:
About the project
